

Butler County, Ohio Interoperability Packages

Radio users select Law Enforcement or Fire / EMS interoperability package based on agency type.
Options for additional zone or replacement zone (for radios without ADP) are shown at right.
If agency opts for a single zone, Zone A should be used.

Red talkgroups use ADP software encryption.

Emergencies
FIRE, EVNT and TAC talkgroups have tactical emergency. LAW and others revert to 09 CALL.

09 CALL is used to reach any Butler County PSAP.
09 TALK is for routine user-to-user conversation.
INFO talkgroups are for all-county-broadcasts.
Primary dispatching talkgroups are not included by policy.
