Monday December 7<sup>th</sup> at 1900 hours  
Madison Station 153  
Primarily for users from Madison and Wayne

No registration needed. **Bring a portable radio from your agency to follow along.**

Staff from the BCSO Communications Division will give a presentation on radio use and how things will work operationally, for fire and EMS agencies dispatched by BCSO, on the new system.

Classes have been divided geographically to bring 2 to 3 departments together for training. If some individuals can't make a particular training, you are welcome to come to any session.
